Confirmation:

Confirmation:

Hereby we confirm that in all our products and our packaging we supply,

1. no substances that are intended to be released under normal or reasonable foreseeable conditions of use, and

2. all SVHC substances (Substances of Very High Concern) that are listed in the candidate list in accordance with article 59(1, 10) of the REACH regulations, present in our articles are at concentrations of below 0.1% (w/w in the entire article).

The actual candidate list and the according product list can be found as attachment to this document.

Therefore we don't need to register specific substances to the central European Chemicals Agency (ECHA) database.

In case that any of our products will fall under any of the above regulations in the future, and that a registration of substances will be required, we will inform all our clients and processors in a separate material safety datasheet immediately.
